Why does the band sell fruit and nuts?

The profits will be used to buy and repair needed equipment, clean uniforms, support student scholarships, fund part of the Spring band trips, and cover other band department expenses.

How do I order my fruit and nuts?

We use a website for our orders. You can input your own orders and pay through the website. The website accepts credit cards.

When do I get my fruit and nuts?

The student you pick will deliver your fruits and nuts in early December. The delivery address must be in Arlington. AFAC oranges are delivered directly to AFAC, and W-L staff can pick up their orders at W-L.
