Participation Requirements

Juniors and seniors are permitted to take rest periods. Juniors and seniors are permitted to take one rest period for each exam taken during the AP/IB exam period. A rest period is defined as the half-day immediately before or after each IB/AP exam. This policy not only excuses a student from the designated period(s) for which his/her exam takes place, but also the period(s) before or after the test. (IB exams that are taken over a two day period count as two exam periods for purposes of the Generals' Rest Period.)

Absences will be excused only when a parent approval form has been completed and received. Students who leave the school building without parental permission will be marked as unverified and referred to their assigned administrator.

Students are responsible for any work missed during the absence.

Students are responsible for their own transportation if they utilize the Generals' Rest Period.

There will be no make-ups for students who miss their assigned examination(s). As outlined in the signed IB/AP contract, students are responsible for reimbursing Arlington Public Schools for any fees associated with missing an examination. Students must arrive at the testing center on time.

Proper use of this rest period is each student's responsibility. All classes missed will still be in session and students are still responsible for all classwork, homework, and tests/quizzes/projects missed from those classes during exams.
