### Requirements and considerations:

There are two options to obtain an IB Diploma:

1. Select 3 HL classes and 3 SL classes; or
2. Select 4 HL classes and 2 SL classes

Other considerations:

- Students must select one subject from each subject group (1-5)
- Group 6 (Arts) is optional. If you skip group 6, you must double up on another group.
- Economics & Personal Finance is a Virginia diploma requirement. IB Economics satisfies this requirement while also counting as a Group 3 IB course.
- US History is a Virginia diploma requirement. There are three options for this requirement: IB HOA, AP US History, or US/VA History.
- Theory of Knowledge (TOK) is part of the IB core. It is required, but does not count as an IB subject course..
- One-year courses are limited. No more than 2 are allowed.
