I am applying for testing accommodation/s on one or more International Baccalaureate (IB) exams due to disability. I authorize Washington-Liberty High School to release to IB necessary documentation for review to determine eligibility for accommodations. I also authorize W-L staff to discuss my disability and accommodation needs with IB. I am also providing permission for IB to review my records and discuss my disability and needs with W-L staff.

If I transfer to another school for the exam/s my application for inclusive assessment arrangements (accommodations request) and supporting documents will be visible to the coordinator of the new school. If I wish to withdraw my request for inclusive assessment arrangements before a transfer, I must inform the school of this at the time of the transfer.

I understand that IB has final determination over accommodations and will abide by their determination.
