

IB English Literature HL/2 Summer Assignment

The IB English HL/2 summer assignment is two-fold. The details of Parts I and II appear below:

PART I	Reading
---------------	----------------

In preparation for our work together in the fall, we would like you to read William Shakespeare’s *Henry V* (we will use [the Folger edition](#)). We recommend that you annotate as you read, paying particular attention to poetic devices and use of language. We encourage you to use various colors, highlighters, pen, pencil, and/or post-it® notes to turn your book into a record of your mental connection with the play. Your understanding of the play will be assessed with a multiple-choice exam early in the second week of school.

PART II	Research / Writing
----------------	---------------------------

To support you throughout the college application process, we ask that you:

- write a polished college essay
 - ⇒ in response to a prompt from the Common Application or specific to your first-choice college or university
- on 9/6, which is the end of the second week of school, you will submit *both a hard copy and digital copy* (through Canvas) of your college essay
 - ⇒ we will provide comments regarding your response to the question and the **effectiveness of your personal narrative**
 - ⇒ we will assess your college essay using the following rubric:

College Essay	NONE 0	POOR 1	GOOD 3	GREAT 5
College Essay turned in on time				
Do you use a specific story to effectively respond to the question?				
Do you include specific details that add to the quality of the writing?				
Is the opening line(s) engaging and dynamic?				
Do you show, not tell , the story’s lesson about who you are as a person?				
Formal language is used, paragraph breaks are appropriate, there are no grammatical errors				

Feel free, of course, to read many other books over the summer as well! Please e-mail us if you have any questions about the nature of these assignments. We look forward to our time together next year and anticipate great things in the year to come.
